## PURPOSE OF THIS GUIDANCE DOCUMENT

---

### Notice

This document is for information purposes only and does not constitute a decision or finding by the Registrar of Lobbyists for British Columbia or their delegates. This guidance does not affect the powers, duties or functions of the Registrar of Lobbyists, or their delegates, regarding any investigation or other matter under the *Lobbyists Transparency Act*, respecting which the Registrar and their delegates will keep an open mind. Responsibility for compliance with the *Lobbyists Transparency Act* remains with each lobbyist.

The *Lobbyists Transparency Act* (“LTA”) came into effect on May 4, 2020. The legislation and the Lobbyists Transparency Regulation set out requirements for registration of individuals and organizations engaged in lobbying activities.

This Quick Guide summarizes the steps for Consultant Lobbyists to create and update Registration Returns. The full-length [User Guide: Consultant Lobbyist Registration Returns](#) is more detailed and contains many more screenshots.

For information about Monthly Returns (Lobbying Activity Reports and updates to Registration Returns), see [User Guide – Monthly Returns and Lobbying Activity Reports](#).

Sign in to the [Lobbyists Registry](#) to create and submit Registration Returns and Lobbying Activity Reports. You must also keep the information in your Registration Returns up to date.

The [GETTING STARTED - REFERENCE GUIDE](#) is a brief overview of the provisions of the current legislation and regulation governing lobbying in BC, together with an explanation of the most commonly-used features of the Lobbyists Registry. It is designed to answer common questions.

Links to the complete text of the LTA and the Regulation are available by clicking “Help” on the top toolbar of each page of the Lobbyists Registry and selecting “Legislation”.

The ‘Help’ tab also has links to guidance documents, FAQs, other user guides under ‘Using the Registry’, and contact information for our office.

### Registration Returns, Monthly Returns, and Lobbying Activity Reports

You must create a separate **Registration Return** for each client on whose behalf you are lobbying. Registration Returns contain information about you and your client as well as high-level details about your lobbying activities for that client.

**Lobbying Activity Reports:** must be filed if you lobbied one or more **senior public office holders** in the preceding month. Create a Lobbying Activity Report for each lobbying activity you directed at a **senior public office holder**.

**Monthly Returns:** consist of Lobbying Activity Reports and updates to the Registration Return for each client. Monthly Returns must be submitted to the Registry by the 15th of the month, **IF there was lobbying activity to report, or a change to the information in the Registration Return, in the preceding month.**

For more information, see the following sections of the [Frequently Asked Questions](#):

- Public office holders, senior public office holders, former public office holders
- Registration Returns; Monthly Returns; Lobbying Activity Reports

## YOUR ACCOUNT IN THE LOBBYISTS REGISTRY

---

### One account

You will only ever have one account in the Lobbyists Registry.

If you had an account in the previous Lobbyists Registry, **DO NOT CREATE A NEW ACCOUNT**. See [Activating an Account from the Previous Lobbyists Registry](#) below.

If you have an account in the current Lobbyists Registry but are unable to sign in to your account, **DO NOT CREATE A NEW ACCOUNT**. The new account will be deleted and you'll need to continue with your previous account. See [Forgotten Password or Username](#) for steps to get access to your account.

If you are both a Consultant Lobbyist for one or more Organizations **AND** the Designated Filer for another Organization, you will use the same account for both purposes, but maintain separate Registration Returns.

## MONTHLY RETURNS

---

### Monthly Returns: updates to Registration Returns and Lobbying Activity Reports

If you do not report any lobbying activity and do not update your Registration Return for 5 consecutive months, the Designated Filer, Representative & any other organization contacts will get an automated email with the steps required to:

1. Keep the Registration Return active; or

### When to Create a Lobbying Activity Report

You must prepare and submit a Lobbying Activity Report if you lobbied one or more **senior public office holders**. The deadline is the 15<sup>th</sup> of the month following the lobbying activity.
